House of Representatives

MONDAY, OCTOBER 29, 2001

The House met at 2 p.m. and was called to order by the Speaker pro tempore (Mr. CULBERSON).

DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC,
October 29, 2001.

I hereby appoint the Honorable JOHN ABNEY CULBERSON to act as Speaker pro tempore on this day.

J. DENNIS HASTERT,
Speaker of the House of Representatives.

PRAYER

The Chaplain, the Reverend Daniel P. Coughlin, offered the following prayer: Divine Maker, in and through Your Word, all comes into being. Fragile as the autumn leaf in the wind, faith carries us as individuals and a Nation.

Every breath of life is dependent upon You and the air we breathe in as our very own.

Free us, Lord, from the dread of anthrax and other biological evil.

Lift the cloud of anxiety from this city and the Nation, that we may again breathe in deeply a sense of Your spirit guiding us from within.

Let us exhale all sins of the past and all our burdens, purifying our souls until we are thoroughly recreated for Your service.

Lord, grant the Members of this House and all the American people a sense of gratitude for our brothers and

sisters who serve on this hill and across this Nation as postal workers. May we never take them or their service to this country for granted.

With them and their families we mourn the loss of their companions, faithful servants of Yours, who now approach You for their service rendered and a just reward. May their lives and sacrificial deaths bring all of us a deeper sense of civic pride in daily work, a renewed commitment to a safer work environment and a bright promise of peace which overcomes the darkness of terror now and forever. Amen.

U.S.-MOROCCO NUCLEAR AGREEMENT—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 107-138)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, without objection, referred to the Committee on International Relations and ordered to be printed:

To the Congress of the United States:

I am pleased to transmit to the Congress, pursuant to sections 123 b. and 123 d. of the Atomic Energy Act of 1954, as amended (42 U.S.C. 2153(b), (d)) (the "Act"), the text of a proposed Protocol Amending the Agreement for Cooperation between the Government of the United States of America and the Government of the Kingdom of Morocco Concerning Peaceful Uses of Nuclear Energy signed at Washington on May 30, 1980. I am also pleased to transmit my written approval, authorization, and determination concerning the Protocol, and an unclassified Nuclear Proliferation Assessment Statement (NPAS) concerning the Protocol. (In accordance with section 123 of the Act, as amended by title XII of the Foreign Affairs Reform and Restructuring Act of 1998 (Public Law 105-277), a classified Annex to the NPAS, prepared by the Secretary of State in consultation with the Director of Central Intelligence, summarizing relevant classified information, will be submitted to the Congress separately.) The joint memorandum submitted to me by the Secretary of State and the Secretary of Energy and a letter from the Chairman of the Nuclear Regulatory Commission stating the views of the Commission are also enclosed.

I am informed that the proposed Protocol has been negotiated to be in accordance with the Act and other applicable law, to meet all statutory requirements, and to advance the non-proliferation and other foreign policy interests of the United States.

The Protocol amends the Agreement for Cooperation Between the Government of the United States of America and the Government of the Kingdom of Morocco Concerning Peaceful Uses of Nuclear Energy in two respects:

1. It extends the Agreement, which expired by its terms on May 16, 2001, for an additional period of 20 years, with a provision for automatic extensions thereafter in increments of 5 years each unless either Party gives timely notice to terminate the Agreement; and

2. It updates certain provisions of the Agreement relating to the physical protection of nuclear material subject to the Agreement.

As amended by the proposed Protocol, I am informed that the Agreement will continue to meet all requirements of U.S. law.

Morocco is in the early stages of developing a nuclear research program, with support from the United States and the International Atomic Energy Agency (IAEA). The United States firm, General Atomics, is currently building the country's first reactor, a small (2 megawatt) TRIGA Mark II research reactor that will use low-enriched uranium fuel. General Atomics' completion of the project cannot occur without an Agreement for Cooperation in force.

Morocco is a party to the Treaty on the Non-Proliferation of Nuclear Weapons (NPT) and has an agreement with the IAEA for the application of full-scope safeguards to its nuclear program. Morocco is a signatory to (but has not yet ratified) the Convention on the Physical Protection of Nuclear Material, which establishes international standards of physical protection for the storage and transport of nuclear material.

I have considered the views and recommendations of the interested agencies in reviewing the proposed Protocol and have determined that its performance will promote, and will not constitute an unreasonable risk to, the common defense and security. Accordingly, I have approved the Protocol and authorized its execution and urge that the Congress give it favorable consideration.

This transmission shall constitute a submittal for purposes of both sections 123 b. and 123 d. of the Atomic Energy Act. My Administration is prepared to begin immediately the consultations with the Senate Foreign Relations Committee and House International Relations Committee as provided in section 123 b. Upon completion of the 30-day continuous session period provided for in section 123 b., the 60-day continuous session period provided for in section 123 d. shall commence.

GEORGE W. BUSH.

THE WHITE HOUSE, October 24, 2001.

ANTI-TERROR DRAFT LEGISLATION—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 107-139)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, without objection, referred to the Committee on the Judiciary and ordered to be printed:

To the Congress of the United States:

Enclosed for the consideration of the Congress is a legislative proposal to implement the International Convention for the Suppression of Terrorist Bombings and the International Convention for the Suppression of the Financing of Terrorism. Also enclosed is a detailed explanation of the bill's provisions.

Title I of the bill is entitled the "Terrorist Bombings Convention Implementation Act of 2001." It would implement

the International Convention for the Suppression of Terrorist Bombings, which was signed by the United States on January 12, 1998, and which was transmitted to the Senate for its advice and consent to ratification on September 8, 1999. In essence, the Convention imposes binding legal obligations upon State Parties either to submit for prosecution or to extradite any person within their jurisdiction who unlawfully and intentionally delivers, places, discharges, or detonates an explosive or other lethal device in, into, or against a place of public use, a State or government facility, a public transportation system, or an infrastructure facility. A State Party is subject to these obligations without regard to the place where the alleged act covered by the Convention took place. Twenty-eight States are currently party to the Convention, which entered into force internationally on May 23, 2001.

Title II of the bill is entitled the "Suppression of the Financing of Terrorism Convention Implementation Act of 2001." It would implement the International Convention for the Suppression of the Financing of Terrorism, which was signed by the United States on January 10, 2000, and which was transmitted to the Senate for its advice and consent to ratification on October 12, 2000. The Convention imposes binding legal obligations upon State Parties either to submit for prosecution or to extradite any person within their jurisdiction who unlawfully and wilfully provides or collects funds with the intention that they should be used to carry out various terrorist activities. A State Party is subject to these obligations without regard to the place where the alleged act covered by the Convention took place. The Convention is not yet in force internationally, but will enter into force on the thirtieth day following the date of the deposit of the twenty-second instrument of ratification, acceptance, approval, or accession with the Secretary General of the United Nations.

I urge the prompt and favorable consideration of this proposal.

GEORGE W. BUSH.
THE WHITE HOUSE, October 25, 2001.

SPECIAL ORDERS

The SPEAKER pro tempore. Under the Speaker's announced policy of January 3, 2001, and under a previous order of the House, the following Members will be recognized for 5 minutes each.

ECONOMIC AID FOR THE SOUTHERN BORDER STATES

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from California (Mr. FILNER) is recognized for 5 minutes.

Mr. FILNER. Mr. Speaker, I rise today to make sure all of my colleagues understand the economic crisis that is occurring at the U.S.-Mexico border from San Diego, California,

which I represent, all the way east of Brownsville, Texas. These border communities are in an economic crisis and need immediate help.

After September 11 this country took all sorts of security measures designed to prevent terrorist acts again. All those measures were extremely necessary, important and supported by this body and by the American people. Yet some of those measures that we took had economic consequences which we did not foresee and which have to be taken care of in the months following September 11. For example, we grounded all general aviation. Many businesses went out of business in that sector of the economy. Now they are trying to get back on their feet.

The border communities had been neglected in looking at the aftermath of September 11. We heightened security at the southern border, appropriately so. We started what is called a level one alert, to make sure no further terrorists could get into our country. That level one alert required much more search of cars, much more questioning of individuals, checking of IDs, all of which the American people support; but we did not add increased resources at the southern border to handle this increased level of security.

So the waits at the border for legal crossers, those who are doing business, those who are going to school, those that live in this country and are U.S. citizens, perhaps, but live for whatever reason in Mexico, people who shop, people who work legally, the wait at the borders have been at least several hours, up to 4, sometimes up to 7 or 8 hours. The border wait can be 2 hours one day, 8 hours next day, an hour the next day.

It is the uncertainty that prevents people who legally want to cross our southern borders, work here, shop here, they are prevented from doing so. In fact, in the biggest border crossing in the world, which is in my congressional district in San Ysidro, California, businesses have dropped anywhere from 50 to 90 percent. Many have gone out of business. Others are facing bankruptcy.

If you go across the border to Calexico, California, or Nogales, Arizona, or El Paso, Texas, or Laredo or Brownsville, the situation is the same. The dropping of business is anywhere from 50 to 90 percent. These are small businesses. They cannot sustain this level of activity before they go out of business.

We can cure this, Mr. Speaker. We can cure this with more resources. I have asked the Governor of California, my colleagues have asked their Governors, we asked the President of the United States to declare an economic state of emergency along the border so we can get in low-interest loans and economic help for these small businesses; but more important, we need to keep the lanes of traffic flowing and open.

The district director in San Diego told me that if she had 20 more posi-

tions per shift, or a hundred more new positions, she could keep all 24 lanes of San Ysidro open 24 hours a day. What would that require? It would require \$6 million, Mr. Speaker, \$6 million. If that is multiplied out across the border, we mean maybe 20 to \$25 million to make sure we kept the level one security and we keep that flow of legal traffic moving swiftly across the border.

We need to put that 20 to \$25 million in any supplemental bill that comes through this House, Mr. Speaker. We need to make sure that we can assure Americans that our borders are safe, that we do not put out of business all of the communities that live on that crossborder's legal trade.

□ 1415

So, Mr. Speaker, I ask the Governors of the border States, and I ask the President of the United States to declare an economic state of emergency, and I ask this House to appropriate \$20 million to \$25 million for full staffing of the southern border checkpoints so that we can have both security and commerce.

Managers on the Part of the Senate.

JOINT EXPLANATORY STATEMENT

The managers on the part of the House and the Senate at the conference on the disagreeing votes of the two Houses on the amendment of the Senate to the bill (H.R. 2590), making appropriations for the Treasury Department, the United States Postal Service, the Executive Office of the President, and certain Independent Agencies, for the fiscal year ending September 30, 2002, and for other purposes, submit the following joint statement to the House and the Senate in explanation of the effect of the action agreed upon by the managers and recommended in the accompanying conference report.

The conference agreement on the Treasury and General Government Appropriations Act, 2002, incorporates some of the language and allocations set forth in House Report 107-152 and Senate Report 107-57. The language in these reports should be complied with unless specifically addressed in the accompanying statement of managers.

Senate Amendment: The Senate deleted the entire House bill after the enacting clause and inserted the Senate bill. The conference agreement includes a revised bill.

Throughout the accompanying explanatory statement, the managers refer to the Committee and the Committees on Appropriations. Unless otherwise noted, in both instances, the managers are referring to the House Subcommittee on Treasury, Postal Service, and General Government and the Senate Subcommittee on Treasury and General Government.

In a number of instances, House Report 107-152 and Senate Report 107-57 direct agencies to report to the Committees by specific dates that have now passed. In those instances, and unless alternative dates are provided in the accompanying explanatory statement, agencies are directed to provide these reports to the House and Senate Committees on Appropriations no later than January 2, 2002.

REPROGRAMMING AND TRANSFER OF FUNDS
GUIDELINES

The conference agreement includes the following reprogramming guidelines which shall be complied with by all agencies funded by the Treasury and General Government Appropriations Act, 2002:

1. Except under extraordinary and emergency situations, the Committees on Appropriations will not consider requests for a reprogramming or a transfer of funds, or use of unobligated balances, which are submitted after the close of the third quarter of the fiscal year, June 30;

2. Clearly stated and detailed documentation presenting justification for the reprogramming, transfer, or use of unobligated balances shall accompany each request;

3. For agencies, departments, or offices receiving appropriations in excess of \$20,000,000, a reprogramming shall be submitted if the amount to be shifted to or from any object class, budget activity, program line item, or program activity involved is in excess of \$500,000 or 10 percent, whichever is greater, of the object class, budget activity, program line item, or program activity;

4. For agencies, departments, or offices receiving appropriations less than \$20,000,000, a reprogramming shall be submitted if the amount to be shifted to or from any object class, budget activity, program line item, or program activity involved is in excess of \$50,000, or 10 percent, whichever is greater, of the object class, budget activity, program line item, or program activity;

5. For any action where the cumulative effect of below threshold reprogramming actions, or past reprogramming and/or transfer actions added to the request, would exceed

the dollar threshold mentioned above, a reprogramming shall be submitted;

6. For any action which would result in a major change to the program or item which is different than that presented to and approved by either of the Committees, or the Congress, a reprogramming shall be submitted;

7. For any action where funds earmarked by either of the Committees for a specific activity are proposed to be used for a different activity, a reprogramming shall be submitted; and

8. For any action where funds earmarked by either of the Committees for a specific activity are in excess of the project or activity requirement, and are proposed to be used for a different activity, a reprogramming shall be submitted.

Additionally, each request shall include a declaration that, as of the date of the request, none of the funds included in the request have been obligated, and none will be obligated, until the Committees on Appropriations have approved the request.

TERRORIST ACTS OF SEPTEMBER 11, 2001

The conferees condemn the terrorist attacks against the United States on September 11, 2001, and express profound sorrow for the victims and their families. These attacks underscore the need to ensure that the resources necessary to keep our society safe are available. The conferees are dedicated to ensuring that sufficient resources are available to respond to this crisis and are committed to working with all the agencies under the jurisdiction of this bill, including the Office of Homeland Security, to ensure the safety of our Nation.

TITLE I—DEPARTMENT OF THE
TREASURY

The conferees agree with the direction provided by the House with respect to e-learning for employees.

DEPARTMENT-WIDE SYSTEMS AND CAPITAL
INVESTMENTS PROGRAMS

(INCLUDING TRANSFER OF FUNDS)

The conferees agree to provide \$68,828,000 as proposed by the House instead of \$69,028,000 as proposed by the Senate. Within this amount, the conferees direct that not less than \$7,993,000 be spent on the Treasury-wide Critical Infrastructure project.

OFFICE OF INSPECTOR GENERAL

SALARIES AND EXPENSES

The conferees agree to provide \$35,424,000 instead of \$35,508,000 as proposed by the House and \$35,150,000 as proposed by the Senate. Included in this amount are increases of \$84,000 for non-pay inflation and an additional \$190,000 for the anticipated pay adjustment. The conferees fully concur with the Senate report language regarding the Inspector General's mid-year alteration of performing certain financial audits. The conferees also concur with the Senate report language on the movement of staff resources from performing financial audits to conducting investigations.

TREASURY INSPECTOR GENERAL FOR TAX
ADMINISTRATION

SALARIES AND EXPENSES

The conferees agree to provide \$45,837,000 as proposed by the House instead of \$45,702,000 as proposed by the Senate.

FINCEN LEASE RENEGOTIATION

The conferees are aware that the present lease arrangement for the Financial Crimes Enforcement Network (FinCEN) expires in fiscal year 2003, and recognize that FinCEN has special needs for space and facilities, both to address growing demands on its resources by customer agencies and in light of new requirements arising after the September 11th terrorist attack. The conferees therefore encourage FinCEN, working with the Department of the Treasury, to ensure that its decisions on office space facilitate the best use of FinCEN resources by joint investigations and task forces, especially where co-location is required and enhanced building security is a necessity.

COUNTERTERRORISM FUND

The conferees agree to provide \$40,000,000 for the Counterterrorism Fund instead of \$36,879,000 as proposed by the House and \$44,879,000 as proposed by the Senate. The conferees agree that such funding is available to counter, investigate or prosecute unexpected threats or acts of terrorism, subject to prior notification of the Committees in accordance with reprogramming and transfer guidelines.

FEDERAL LAW ENFORCEMENT TRAINING
CENTER

INTERAGENCY LAW ENFORCEMENT

INTERAGENCY CRIME AND DRUG ENFORCEMENT

The conferees agree to provide \$107,576,000 as proposed by the House instead of \$106,965,000 as proposed by the Senate.

FINANCIAL MANAGEMENT SERVICE
SALARIES AND EXPENSES

The conferees agree to provide \$212,850,000 instead of \$213,211,000 as proposed by the House and \$212,316,000 as proposed by the Senate. Included in this amount are increases of \$361,000 for non-pay inflation and an additional \$895,000 for the anticipated pay adjustment.

BUREAU OF ALCOHOL, TOBACCO AND FIREARMS
SALARIES AND EXPENSES

The conferees agree to provide \$823,316,000 instead of \$816,816,000 as proposed by the House and \$821,421,000 as proposed by the Senate. The conferees include \$9,655,000 for non-pay inflation, an additional \$3,140,000 for the anticipated pay adjustment, \$500,000 to improve firearms licensing and regulatory operations, \$3,000,000 to expand the Integrated Violence Reduction Strategy, and \$3,500,000 to upgrade the National Tracing Center. The conferees also provide that \$13,000,000 shall remain available until expended for grants, cooperative agreements or contracts to local governments for the Gang Resistance Education and Training program, as proposed by the Senate.

ATF AUTOMATION

The Bureau of Alcohol, Tobacco and Firearm's (ATF) continued leadership in alcohol beverage regulation is particularly important because the 21st Amendment prohibits the transportation or importation of alcohol beverages for delivery or use within a State in violation of the laws of such State. States have worked with ATF to develop complementary enforcement mechanisms. For example, alcohol beverages can be sold in most States upon submission to the State of the ATF-issued Certificate of Label Approval. As Congress has mandated individual label review, and a government warning on all labels, ATF's efforts to carry out those laws are essential. However, ATF's existing paper-intensive label approval system creates a crushing workload, leading to employee turnover, frustration, and delays in processing applications.

ATF officials identified funds in fiscal year 2001 to upgrade the label approval process. The agency has also begun working with the Financial Management Service in an effort to automate industry production reports, which are required to support tax audits and other regulatory activities. The conferees encourage ATF to sustain efforts to automate routine compliance measures mandated by the Federal Alcohol Administration Act, and to implement new initiatives in cooperation with State officials and industry members.

UNITED STATES CUSTOMS SERVICE
SALARIES AND EXPENSES

The conferees agree to provide \$2,079,357,000, instead of \$2,056,604,000 as proposed by the House and \$2,022,453,000 as proposed by the Senate. Included in this amount are \$33,476,000 for non-pay inflation and \$9,247,000 for the anticipated pay adjustment; \$800,000 for tobacco smuggling task forces, \$1,317,000 as authorized by the African Growth and Opportunity Act, \$5,000,000 for the Intellectual Property Rights Center and investigations initiative, \$33,151,000 for non-intrusive inspection technology, \$28,152,000 for a Northern Border hiring initiative, \$750,000 for agricultural trade research, \$250,000 for a Vermont Trade Center, and \$450,000 for screening scrap metal. The conferees direct that not less than \$1,000,000 of available funds shall be used to develop a canine training curriculum to combat and respond to terrorist activities related to chemical and biological weapons threats.

BORDER PORTS OF ENTRY ORGANIZATION

The conferees are interested in the continuing growth in commercial and passenger

traffic along the U.S. border ports of entry. Given the events surrounding the terrorist attacks on September 11, 2001, the conferees are also concerned about the heightened security requirements at all ports of entry. Growth in traffic and concurrent security requirements demand that resources be allocated expeditiously to secure our borders while facilitating the free flow of trade. Therefore, the conferees are closely following the infrastructure improvements for the Southern and Northern ports identified in the U.S. Port of Entry Infrastructure Study 2000, and look forward to the recommendations of the Border Station Partnership Council. Given the potential infrastructure enhancements, along with highway improvements on both sides of the border, airport improvements, security enhancements, as well as increased NAFTA activity, the conferees request that Customs submit a report to the Committees on Appropriations on how it plans to change existing port or border infrastructure, including any concomitant changes in the size or organization of Customs Service border operations.

INTELLECTUAL PROPERTY RIGHTS INITIATIVE

The conferees have agreed to provide \$5,000,000 for the investigative efforts of the Intellectual Property Rights Center (IPR Center) to combat cyberpiracy and counterfeiting, such as software counterfeiting, as proposed in the Senate bill. The conference agreement assumes that this funding will be used for the hiring and strategic placement of additional Customs Special Agents in domestic and overseas offices to enhance enforcement of U.S. intellectual property laws, as well as to support and enhance the operation of the IPR Center to combat intellectual property rights violations. The conferees direct the Customs Service to notify the Committees on Appropriations on its spending plan prior to obligating these funds, and also to provide a status report on the initiative to the Committees not later than July 31, 2002.

HARBOR MAINTENANCE FEE COLLECTION
(INCLUDING TRANSFER OF FUNDS)

The conferees agree to provide \$3,000,000 as proposed by the Senate, instead of \$2,993,000 as proposed by the House.

OPERATION, MAINTENANCE AND PROCUREMENT,
AIR AND MARINE INTERDICTION PROGRAMS

The conferees agree to provide \$177,860,000 instead of \$181,860,000 as proposed by the House and \$172,637,000 as proposed by the Senate. This amount includes funding for non-pay inflation; \$7,000,000 for the Training Standardization Branch; \$4,200,000 for electro-optical and infrared imaging systems; and \$2,938,000 for additional marine interceptor craft and safety equipment.

AUTOMATION MODERNIZATION

The conferees agree to provide \$427,832,000 as proposed by the House instead of \$357,832,000 as proposed by the Senate.

AUTOMATED COMMERCIAL ENVIRONMENT

The conferees strongly believe that continued oversight of the Automated Commercial Environment (ACE) program by GAO and Treasury is critical to successful adherence to the ACE expenditure plan. Periodic review of investment increments allows for oversight of the capital planning and architecture development, and is consistent with best practices. The conferees direct that regular quarterly reports continue to be provided until ACE becomes functional.

Additionally, the conferees direct Customs to submit requests for release of funds, including a cost-benefit analysis, in a timely manner, but in no case less than 30 days before the anticipated need for the funds.

UNITED STATES MINT

UNITED STATES MINT PUBLIC ENTERPRISE FUND

The conferees agree to include new bill language establishing a spending level for capital investments by the U.S. Mint for circulating coinage and protective services of \$43,000,000. The conferees also agree to include a requirement that the United States Mint Public Enterprise Fund pay \$250,000 for a study by the General Accounting Office on public interest and acceptance of circulating coinage.

The conferees recognize the initial steps the Director has taken to investigate and remedy many of the ongoing problems and concerns raised by the House and Senate Appropriations Committees. The conferees are aware of the challenges facing the U.S. Mint and look forward to a close working relationship with its new Director.

The conferees are concerned with the direction of the marketing campaigns that the U.S. Mint is using to promote the Golden Dollar coin and the circulating commemorative quarters authorized under P.L. 105-124. The conferees are also concerned with the lack of information regarding the nature and extent to which the Golden Dollar coin is being used in commerce as contained within the report, Report to Congress on the Marketing of the Golden Dollar, submitted to the Congress by the U.S. Mint. The conferees are especially concerned with the lack of consultation by the Mint with the Congress on these promotional efforts. Therefore, the U.S. Mint shall not draw funds from the United States Mint Public Enterprise Fund to further promote the Golden Dollar coin or the circulating commemorative quarters until the Director submits and the Committees on Appropriations approve a marketing plan for such promotional efforts. This requirement shall not be construed to limit the sales or marketing of either of these coins for sale directly to the public through the U.S. Mint's traditional numismatic sales channels.

The conferees remain concerned with the amount of travel outside the continental United States that is being conducted by the U.S. Mint. Therefore, the conferees direct the U.S. Mint not to draw funds from the United States Mint Public Enterprise Fund for travel outside the continental United States without specific approval of the Director of the Mint. The Director shall submit a report on the cost of such travel occurring during fiscal year 2002 to the Committees on Appropriations no later than October 31, 2002.

BUREAU OF THE PUBLIC DEBT
ADMINISTERING THE PUBLIC DEBT

The conferees agree to provide \$186,953,000 instead of \$187,927,000 as proposed by the House and \$187,318,000 as proposed by the Senate. Included in this amount are increases of \$974,000 for non-pay inflation and an additional \$609,000 for the anticipated pay adjustment. Within these funds, the conferees have provided sufficient amounts to pay for administrative services by the Bureau of the Public Debt in association with the South Dakota Trust Fund and the Cheyenne River Sioux Tribe Terrestrial Wildlife Restoration and Lower Brule Sioux Tribe Terrestrial Restoration Trust Fund, as authorized by sections 603(f) and 604(f) of Public Law 106-53.

INTERNAL REVENUE SERVICE
PROCESSING, ASSISTANCE, AND MANAGEMENT

The conferees agree to provide \$3,797,890,000 instead of \$3,808,434,000 as proposed by the House and \$3,786,347,000 as proposed by the Senate. Included in this amount are increases of \$12,543,000 for non-pay inflation, \$1,000,000 for low-income taxpayer clinics,

and \$1,000,000 for volunteer income tax assistance.

INFORMATION SYSTEMS

The conferees agree to provide \$1,563,249,000 as proposed by the Senate instead of \$1,573,065,000 as proposed by the House. The conferees are concerned about the degree to which development-related investments funded in this account are coordinated and integrated with the information technology improvements funded in the business systems modernization account. The conferees further believe that the development-related activities funded under this account should be managed with careful diligence and appropriate centralized control.

BUSINESS SYSTEMS MODERNIZATION

The conferees agree to provide \$391,593,000 as proposed by the House instead of \$419,593,000 as proposed by the Senate.

This includes the costs of non-pay inflation and the anticipated pay adjustment. The conferees also provide \$1,633,000 for forensic support to the National Center for Missing and Exploited Children (NCMEC), and \$3,009,000 for grants to NCMEC.

ACQUISITION, CONSTRUCTION, IMPROVEMENT, AND RELATED EXPENSES

The conferees agree to provide \$3,457,000 as proposed by the House instead of \$3,352,000 as proposed by the Senate.

GENERAL PROVISIONS—DEPARTMENT OF THE TREASURY

Section 110. The conferees agree to continue a provision that requires the Secretary of the Treasury to comply with certain reprogramming guidelines when obligating or expending funds for law enforcement activities.

Section 111. The conferees agree to continue a provision that allows the Department of the Treasury to purchase uniforms, insurance, and motor vehicles without regard to the general purchase price limitation, and enter into contracts with the Department of State for health and medical services for Treasury employees in overseas locations.

Section 112. The conferees agree to continue a provision that requires the expendi-

ture of funds so as not to diminish efforts under section 105 of the Federal Alcohol Administration Act.

TITLE II—POSTAL SERVICE

PAYMENT TO THE POSTAL SERVICE FUND

The conferees agree to provide \$143,712,000, as proposed by the House and Senate. Of this amount \$47,619,000 is provided as an advance appropriation for free mail to the blind and overseas voters, as proposed by the House. The conferees include an additional \$29,000,000 for prior year reimbursement shortfalls, as proposed by the House and Senate. Additional funds of \$67,093,000 reflect the advance appropriation provided in the fiscal year 2001 appropriations bill.

MAIL SORTING PRACTICES IN HAWAII

The conferees are aware that Hawaii has only one mail sorting station, on the island of Oahu. Standard practice dictates that mail sent within Hawaii be sent to Oahu for sorting and delivery, even mail sent within a given island. In light of the disruption of the Nation's air transportation and mail delivery system caused by the recent terrorist attacks, the conferees urge the Postal Service

to develop a procedure by which mail that originates on the same island to which it is addressed can be kept and sorted on that island. The conferees agree that the Postal Service should examine the feasibility of implementing procedures that take into account Hawaii's unique geography.

POSTAL SERVICE AUTHORITIES

The conferees direct both the United States Postal Service and the Postal Rate Commission to independently report, 90 days after enactment of this Act, on the scope of existing authority of the US Postal Service, under title 39, United States Code, and title 39, Code of Federal Regulations, to introduce and provide new products and services (including the introduction and provision of new products and services on an experimental or market test basis) and to enter into negotiated service agreements with individual customers or groups of customers. Such reports shall include background on the use of such authority within the past 24 months and shall be provided to the Committees on Appropriations, the Senate Committee on Governmental Affairs, and the House Committee on Government Reform.

SEMI-POSTAL STAMPS

The conferees have included and modified a Senate provision reauthorizing the Breast Cancer Research Special Postage Stamp, included and modified a Senate provision authorizing the 9/11 Heroes Stamp Act of 2001, and included a new provision authorizing the Stamp Out Domestic Violence Act of 2001. The conferees agree that each of these causes are in the national public interest and are appropriate at this time. The conferees expect that any future candidates for semi-postal stamps will be selected by the Postal Service through the congressionally-authorized process.

TITLE III—EXECUTIVE OFFICE OF THE PRESIDENT AND FUNDS APPROPRIATED TO THE PRESIDENT

COMPENSATION OF THE PRESIDENT AND THE WHITE HOUSE OFFICE

SALARIES AND EXPENSES

The conferees agree to provide \$54,651,000 as proposed by the House instead of \$54,165,000 as proposed by the Senate.

EXECUTIVE RESIDENCE AT THE WHITE HOUSE OPERATING EXPENSES

The conferees agree to provide \$11,695,000 as proposed by the House instead of \$11,914,000 as proposed by the Senate.

WHITE HOUSE REPAIR AND RESTORATION

The conferees agree to provide \$8,625,000 as proposed by the House and Senate for 9 separate construction projects. For each project in excess of \$100,000, with the exception of computer upgrades and software development, and prior to the obligation of funds, the conferees direct the National Park Service to submit to the Committees on Appropriations a prospectus that includes, at minimum, a complete description of the project's scope and design, major work items to be completed, estimated total obligations by activity (construction cost, design and review cost, management and inspection), estimated construction schedules including start and completion dates for both design and construction, and estimated construction cost by major work item.

SPECIAL ASSISTANCE TO THE PRESIDENT AND OFFICIAL RESIDENCE OF THE VICE PRESIDENT SALARIES AND EXPENSES

The conferees agree to provide \$3,925,000 as proposed by the House instead of \$3,896,000 as proposed by the Senate.

OPERATING EXPENSES

(INCLUDING TRANSFER OF FUNDS)

The conferees agree to provide \$318,000 as proposed by the House instead of \$314,000 as proposed by the Senate.

COUNCIL OF ECONOMIC ADVISERS
SALARIES AND EXPENSES

The conferees agree to provide \$4,211,000 as proposed by the House instead of \$4,192,000 as proposed by the Senate.

OFFICE OF POLICY DEVELOPMENT
SALARIES AND EXPENSES

The conferees agree to provide \$4,142,000 as proposed by the House instead of \$4,119,000 as proposed by the Senate.

NATIONAL SECURITY COUNCIL
SALARIES AND EXPENSES

The conferees agree to provide \$7,494,000 as proposed by the House instead of \$7,447,000 as proposed by the Senate.

OFFICE OF ADMINISTRATION
SALARIES AND EXPENSES

The conferees agree to provide \$46,955,000 as proposed by the House instead of \$46,032,000 as proposed by the Senate. The conferees agree to include bill language withholding a portion of the funds appropriated for the Capital Investment Plan pending the submission of a report, as proposed by the House.

OFFICE OF MANAGEMENT AND BUDGET
SALARIES AND EXPENSES

The conferees agree to provide \$70,752,000 as proposed by the House instead of \$70,519,000 as proposed by the Senate. The conferees modify a provision proposed by the House related to a cost and benefit assessment of Executive Order 13166 and agree to delete a provision related to subsidy estimates of certain loans.

SBA LOAN PROGRAMS

The conferees are concerned that since the enactment of the Federal Credit Reform Act of 1990, the subsidy rate for the Small Business Administration's 7(a) and 504 loan programs has been reestimated downwards, and that borrowers and lenders in both programs have been paying higher than necessary fees to participate in the programs. This is a direct result of the fact that the subsidy rate model developed to determine a program's subsidy rate uses default assumptions that do not reflect recent program performance of either the 7(a) program or the 504 program, or the legislative and administrative changes made to these programs in the 1990's. The conferees also note that although the Administration reports it has begun to update the 7(a) program's subsidy rate model, which is welcome, no written verification has been given that they have begun to address the 504 program's subsidy rate calculation issue.

Finally, the conferees understand that the Small Business Administration has submitted to the Office of Management and Budget for review new subsidy rate estimates for inclusion in the President's budget submission for FY 2003. The conferees direct that, within 30 days after enactment of this act, the Office of Management and Budget and the Small Business Administration submit a progress report to the House and Senate Committees on Small Business, the Committees on Appropriations, and the Committees on the Budget on this subject.

INTERNATIONAL FOOD ASSISTANCE

The House bill contained a provision based upon concerns of the proper role for the Office of Management and Budget in the administration of international food assistance programs. In lieu of the House bill language, the conferees direct the Office of Management and Budget to work closely with USDA and AID, as well as other appropriate Federal departments and agencies, with the expectations that agencies will work together to standardize eligibility standards and dead-

lines for aid; define program goals with measurable standards of performance; ensure that performance is appropriately measured and evaluated; and fully utilize all Federal expertise to ensure that the best possible assistance is being provided to the private voluntary organizations operating the programs. The Office of Management and Budget is also expected to keep the Committees on Appropriations fully apprised of on-going action with respect to this multi-agency effort.

OFFICE OF NATIONAL DRUG CONTROL POLICY
SALARIES AND EXPENSES
(INCLUDING TRANSFER OF FUNDS)

The conferees agree to provide \$25,263,000 instead of \$25,267,000 as proposed by the House and \$25,096,000 as proposed by the Senate. This includes \$167,000 for non-pay inflation.

COUNTERDRUG TECHNOLOGY ASSESSMENT
CENTER
(INCLUDING TRANSFER OF FUNDS)

The conferees agree to provide \$42,300,000 instead of \$42,000,000 as proposed by the Senate and \$40,000,000 as proposed by the House. Of this funding, \$20,064,000 is for the basic research and development program and \$22,236,000 is for continuation of the technology transfer program.

The conferees include \$2,000,000 to provide neuroimaging technology to an institution that can conduct substance abuse research and train Native American physicians in substance abuse research as described in the Senate report, and \$300,000 to support research into the relationship between genetic factors leading to conditions such as Alzheimer's Disease and environmental factors, particularly substance abuse.

FEDERAL DRUG CONTROL PROGRAMS
HIGH INTENSITY DRUG TRAFFICKING AREAS
PROGRAM
(INCLUDING TRANSFER OF FUNDS)

The conferees agree to provide \$226,350,000 as proposed by the Senate instead of \$233,882,000 as proposed by the House. The conferees fully fund the Administration's request, and include an additional \$20,000,000 to increase funding for or expand existing High Intensity Drug Trafficking Areas (HIDTAs), or to fund newly designated HIDTAs. The conferees provide that existing HIDTAs shall be funded at no less than fiscal year 2001 levels unless the Office of National Drug Control Policy (ONDCP) Director submits to the Committees, and the Committees approve, justification for changes in those levels based on clearly articulated priorities for the HIDTA program, as well as published ONDCP performance measures of effectiveness. Similarly, while the conferees provide additional funding that may be used for newly designated HIDTAs, they direct that no funds may be obligated for such purposes until similar justification is provided to the Committees for approval.

The ability to evaluate effectiveness of individual HIDTAs, and to match funding needs against budgets, depends on reliable and consistent methodology for performance measurement and management. This is particularly important given the key role HIDTAs play in bringing together many divergent counterdrug agencies and cross-cutting programs—which also exacerbates the problem of isolating the impact of HIDTAs. The conferees direct that the HIDTA program shall employ the performance measurement methodology and data collection identified by the HIDTA Performance Management Working Group in 1999. These would emphasize three main areas: increasing compliance with HIDTA developmental standards; dismantling or disabling

at least 5 percent of targeted drug trafficking organizations; and reducing specific types of violent crime. The conferees support, and include funding for, ONDCP validation and verification of HIDTA management and performance, including the use of on-site reviews and external financial evaluations.

As ONDCP reviews proposals for the increased HIDTA funding provided, the conferees direct it to consider the following: increases for Central Florida, Rocky Mountain, Midwest (for Missouri, Iowa and North Dakota), Chicago, Southwest Border (for Arizona, New Mexico and West Texas), Southeast Michigan, Appalachian, Lake County, Gulf Coast, Hawaii, Philadelphia/Camden, Oregon, and Milwaukee HIDTAs; and funding for expansion of HIDTAs in North Texas (to Oklahoma counties), and the Northwest (to counties in southwest and eastern Washington); and possible designation of Arkansas and North Carolina, which have sought designation in recent years.

SPECIAL FORFEITURE FUND
(INCLUDING TRANSFER OF FUNDS)

The conferees agree to provide \$239,400,000 instead of \$238,600,000 as proposed by the House and \$249,400,000 as proposed by the Senate. This includes \$180,000,000 for the National Youth Anti-Drug Media Campaign, of which \$5,000,000 shall be spent on purchasing advertising time and space specifically targeted at combating the drug Ecstasy. It also includes \$50,600,000 for the Drug-Free Communities Act program, \$4,800,000 for the U.S. Anti-Doping Agency, \$1,000,000 for the National Drug Courts Institute, and \$3,000,000 for the Counterdrug Intelligence Executive Secretariat.

DRUG-FREE COMMUNITIES ACT EVALUATION

The conferees recognize the importance of evaluating performance of the Drug-Free Communities Program, and expect that ONDCP will utilize up to \$750,000 of total funding provided for this purpose. The conferees direct ONDCP to work with the authorizing committees of jurisdiction to ensure authorization for such funding is included in forthcoming ONDCP reauthorization legislation.

TITLE IV—INDEPENDENT AGENCIES

COMMITTEE FOR PURCHASE FROM PEOPLE WHO
ARE BLIND OR SEVERELY DISABLED

SALARIES AND EXPENSES

The conferees agree to provide \$4,629,000 as proposed by the House instead of \$4,498,000 as proposed by the Senate.

The conferees agree to provide \$43,689,000 as proposed by the House instead of \$43,993,000 as proposed by the Senate.

ELECTION ADMINISTRATION REFORM

The conferees support efforts to achieve election administration reform and are aware of several legislative initiatives currently being considered in both the Senate and the House. The conferees support bipartisan efforts to produce legislation that assists State and local governments while respecting their primacy in the conduct of elections. The conferees will consider appropriations for election administration reform when such reform measures become authorized.

FEDERAL LABOR RELATIONS AUTHORITY
SALARIES AND EXPENSES

The conferees agree to provide \$26,524,000 as proposed by the House instead of \$26,378,000 as proposed by the Senate.

CONSTRUCTION AND ACQUISITION

The conferees agree to provide \$386,280,000 instead of \$348,816,000 as proposed by the House and \$477,544,000 as proposed by the Senate.

ORLANDO, FLORIDA, COURTHOUSE

The conferees agree to provide \$4,000,000 for additional design of the Orlando, Florida, courthouse. These additional design funds, subject to House and Senate authorization, are being provided to ensure that the new Orlando courthouse will meet the security, community, and space needs of the judiciary. Subject to the required authorizations, the conferees expect the General Services Administration (GSA) to move forward with obligation of these funds and incorporation of the GSA and judiciary agreed upon design elements.

PORT OF ENTRY INFRASTRUCTURE

The conferees strongly concur with the port of entry infrastructure language contained in Senate Report 107-57. The conferees agree that GSA, in conjunction with the Office of Management and Budget, the Customs Service and the Immigration and Naturalization Service, should develop a multi-year plan to address the growing facilities construction backlog, starting with the fiscal year 2003 budget submission.

REPAIRS AND ALTERATIONS

The conferees agree to provide \$826,676,000, the level proposed by the House instead of \$844,880,000 as proposed by the Senate.

RENTAL OF SPACE

The conferees agree to provide \$2,952,050,000 instead of \$2,959,550,000 as proposed by the House and the Senate.

BUILDING OPERATIONS

The conferees agree to provide \$1,748,949,000 as proposed by the Senate instead of \$1,750,669,000 as proposed by the House. Within this amount the conferees direct that GSA conduct a study of hurricane vulnerabilities and risk mitigation strategies, including perforated metal technology applications, for Federal buildings in the southeastern United States as proposed by the House. Also within this amount the conferees direct that GSA provide \$1,000,000 for an automated external defibrillator pilot program in buildings within its jurisdiction in accordance with guidelines developed in partnership with the Department of Health and Human Services as proposed by the Senate. The conferees further direct GSA to submit a report to the Committees on Appropriations no later than June 1, 2002, on the steps it has taken to meet the goals of the pilot program as expressed in Senate Report 107-57.

POLICY AND OPERATIONS

The conferees agree to provide \$143,139,000 instead of \$137,947,000 as proposed by the House and \$145,749,000 as proposed by the Senate. The conferees have included \$9,982,000 for the Federal computer incident response capability, \$3,822,000 for activities associated with the Lorton complex, \$8,582,000 for activities associated with Governor's Island, \$758,000 for non-pay inflation, an additional \$432,000 for the anticipated pay adjustment, \$250,000 for the virtual archive

storage terminal, \$1,000,000 for digital learning technologies, \$750,000 for the government services rural outreach initiative, \$1,700,000 for a grant to the Oklahoma Centennial Commission, and \$1,750,000 for a one-time grant to the Dwight D. Eisenhower Memorial Commission.

OFFICE OF INSPECTOR GENERAL

The conferees agree to provide \$36,346,000 instead of \$36,478,000 as proposed by the House and \$36,025,000 as proposed by the Senate. Included in this amount are increases of \$133,000 for non-pay inflation and an additional \$188,000 for the anticipated pay adjustment.

ELECTRONIC GOVERNMENT FUND
(INCLUDING TRANSFER OF FUNDS)

The conferees agree to provide \$5,000,000 as proposed by the House and the Senate. The conferees support, in general, the purpose of the fund and recommend the Administration work with the House Committee on Government Reform and the Senate Committee on Governmental Affairs to clarify the status of its authorization. The conferees encourage the use of these funds for interagency electronic government projects for which matching funds are provided. The conferees are aware of interagency groups, such as the Chief Information Officer Council chaired by the Office of Management and Budget, that have wide experience and expertise in electronic government and information technology and suggest that these groups could make key contributions in the review and selection of projects.

ALLOWANCES AND OFFICE STAFF FOR FORMER PRESIDENTS

(INCLUDING TRANSFER OF FUNDS)

The conferees agree to provide \$3,196,000 as proposed by the House instead of \$3,376,000 as proposed by the Senate.

The conferees agree to continue a provision that prohibits the use of funds to submit a fiscal year 2003 budget request for courthouse construction projects that does not meet design guide criteria, does not reflect the priorities of the Judicial Conference of the United States, and is not accompanied by a standardized courtroom utilization study.

Section 405. The conferees agree to continue a provision that provides that no funds may be used to increase the amount of occupiable square feet or provide cleaning services, security enhancements, or any other service usually provided to any agency which does not pay the requested rental rates.

Section 406. The conferees agree to continue a provision that provides that funds provided by the Information Technology Fund for pilot information technology projects may be repaid to the Fund.

MERIT SYSTEMS PROTECTION BOARD
SALARIES AND EXPENSES
(INCLUDING TRANSFER OF FUNDS)

The conferees agree to provide \$30,555,000 as proposed by the House instead of \$30,375,000 as proposed by the Senate.

MORRIS K. UDALL SCHOLARSHIP AND EXCELLENCE IN NATIONAL ENVIRONMENTAL POLICY FOUNDATION

MORRIS K. UDALL SCHOLARSHIP AND EXCELLENCE IN NATIONAL ENVIRONMENTAL POLICY TRUST FUND

The conferees agree to provide \$1,996,000 as proposed by the Senate instead of \$2,500,000 as proposed by the House.

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION
OPERATING EXPENSES

The conferees agree to provide \$244,247,000 as proposed by the House and by the Senate. The conferees agree with the direction provided by the House.

NATIONAL HISTORICAL PUBLICATIONS AND RECORDS COMMISSION
GRANTS PROGRAM

The conferees agree to provide \$6,436,000 as proposed by the Senate instead of \$10,000,000 as proposed by the House. The conferees are aware of a grant application being made by Jefferson Parish, Louisiana, regarding historical documents and urge that this application be given due consideration.

(INCLUDING TRANSFER OF TRUST FUNDS)

The conferees agree to provide \$99,636,000 as proposed by the House instead of \$99,036,000 as proposed by the Senate.

FEDERAL WAGE GRADE SYSTEM FOR BUREAU OF PRISONS

The conferees are concerned that the wage surveys utilized in determining the cost of

labor for Federal wage grade positions are inadequate with respect to Bureau of Prisons employees. Wage grade employees in the Bureau of Prisons are often in "mixed jobs" that have no private sector equivalent. These employees are hired for one primary skill, but they also are trained as security officers and perform security functions in conjunction with their other duties. The conferees direct the Office of Personal Management to review and report to the Committees on Appropriations on how the current survey instrument quantifies the cost of labor with respect to mixed wage grade jobs at the Bureau of Prisons. The report should include a comparison of the average wage rates for employees at each Federal prison facility, a review of any differences in how the surveys are conducted in different wage areas, and a set of recommendations for determining how to quantify the cost of labor in a given wage area if there are no private sector comparables. The report is due no later than 90 days after the date of enactment of this Act.

Mr. SERRANO. Mr. Speaker, I rise today to pay tribute to the memory of Anna Maria Arias, innovative and beloved founder and editor of LATINA Style magazine who passed away October 1, 2001.

Mr. Speaker, Anna Maria Arias founded LATINA Style in 1994, creating the only 100 percent Latina-owned national publication in the United States. It boasts a national circulation of 150,000 and a readership of over half a million. Ms. Arias was a dreamer who realized her dreams. The LATINA Style Magazine motto is "A National Magazine for the Contemporary Hispanic Woman." Indeed, LATINA Style is a staple in the homes of thousands of female Hispanic professionals.

LATINA Style has collaborated with the Small Business Administration, the Minority Business Development Agency and the local

Hispanic Chamber of Commerce to create the LATINA Style Business Services which is a unique program that connects Latina professionals and entrepreneurs to key corporations by holding conferences across the country. Along with LATINA Style's focus on career and business, it regularly features home and family issues, music, book, and movie reviews, travel tips, investment guidance, food and drink recipes, and health advice among other things.

Mr. Speaker, Ms. Arias' staff states that she "dedicated her entire body and soul into creating and growing LATINA Style into the powerful magazine for Hispanic women that it is today." Ms. Arias lost a difficult battle earlier this month with aplastic anemia that she fought for 7 years. When her illness demanded that she forfeit the daily managing of the magazine, Ms. Arias delegated Ms. Elena Campisteguy as associate publisher, confident that she and the LATINA Style staff would propagate the publication's high editorial standard. The Style staff and Ms. Arias' widow, Mr. Robert E. Bard, feel that Ms. Arias' spirit will guide them in coming years to carry on her dream.

I ask my colleagues to join me in mourning the loss of a creative and ambitious entrepreneur who broke boundaries and dedicated her life to benefiting Latina women.

IN HONOR OF THE HAMILTON
COUNTY URBAN SEARCH AND
RESCUE TASK FORCE AND THE
MEMBERS OF THE TASK FORCE
WHO HAVE JOINED IN THE
WORLD TRADE CENTER RE-
SPONSE

HON. ROB PORTMAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Monday, October 29, 2001

Mr. PORTMAN. Mr. Speaker, I rise today to recognize the contributions of Hamilton County's Urban Search and Rescue (USAR) Task Force and the eighteen members of the Task Force who joined with Ohio Task Force 1 (Oh-TF1) to assist in the rescue and relief efforts at the World Trade Center site in New York City.

The Hamilton County USAR Task Force was formed in December, 1997. The primary mission of the Task Force is to assist local fire and emergency medical agencies in large-scale rescue situations and emergency incidents associated with natural disasters, terrorist activity and major industrial, technological and transportation accidents. This team continues Cincinnati's long, proud history of being a national leader in fire and emergency services.

In addition to assisting in local incidents, members of the Hamilton County USAR Task Force are part of Oh-TF1, one of twenty-eight Federal Emergency Management Agency USAR Task Forces capable of responding to

massive structural collapses to search for and rescue trapped persons. Ohio Task Force 1 deployed sixty-two members to the World Trade Center site in New York. These members represented thirty-three fire organizations in Ohio. Seventeen of these members represented six Hamilton County Fire Departments, including: Anderson Fire Department; Cincinnati Fire Department; Colerain Township Fire Department; Green Township Fire Department; Madeira and Indian Hill Fire Department; and Sycamore Township Fire Department. An additional member of the Hamilton County USAR Task Force and Oh-TF1 is a rigging specialist for Carlisle Construction in Northern Kentucky.

The members of Oh-TF1 worked non-stop from September 12 to September 20 at a scene described by its members as "devastating." The Task Force was divided into two groups that worked alternating twelve-hour shifts. As the third USAR Task Force on the scene, Oh-TF1's work was critical to the ongoing recovery and relief efforts.

Like the rest of America, I am moved by the bravery and selfless work of our nation's emergency services personnel. I am especially proud and appreciative of their work after seeing, firsthand, the horrific and truly devastating site in New York.

Mr. Speaker, I hope my colleagues will join me in recognizing the outstanding work of Hamilton County's USAR Task Force and Oh-TF1 as we also recognize the remarkable contributions and sacrifices made by all of the people who make up our nation's emergency services in the wake of the September 11 attack.

WORLD POPULATION AWARENESS
WEEK

HON. JAMES C. GREENWOOD

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Monday, October 29, 2001

Mr. GREENWOOD. Mr. Speaker, rapid population growth and urbanization have become catalysts for many serious environmental problems and are applying substantial pressures on infrastructure, manifested in pollution, transportation, health, sanitation and public safety problems. This situation makes urbanization an issue that we cannot afford to ignore. Cities and urban areas today occupy only 2 percent of the earth's land, but contain half of the world's population and consume 75 percent of its resources.

It is therefore important for us to recognize the problems associated with rapid population growth and urbanization. Governor Ridge has proclaimed the week of October 21–27, 2001 as World Population Awareness Week in the Commonwealth of Pennsylvania, and I would like to support the Governor in this effort by entering his proclamation into the CONGRESSIONAL RECORD.

COMMONWEALTH OF PENNSYLVANIA, GOVERNOR'S OFFICE, PROCLAMATION, WORLD POPULATION AWARENESS WEEK, OCTOBER 21-27, 2001

Whereas, the 21st Century offers enormous environmental and societal challenges for governments at all levels; and

Whereas, these challenges call for innovative leadership to ensure resource conservation, protection of open space, waste prevention, sanitation management to provide quality of life. These challenges are inextricably linked to patterns of considerable demographic change; and

Whereas, world population is projected to increase by almost 80 million per year with 98 percent of population growth predicted to occur in the least developed countries of the world. This growth can lead to disease, hunger and starvation; and

Whereas, demographic problems are not limited to the under developed nations. These problems are also a reality in the United States in other industrialized nations.

Therefore, I, Tom Ridge, Governor of the Commonwealth of Pennsylvania, do hereby proclaim October 21-27, 2001, as World Population Awareness Week in Pennsylvania. I encourage all citizens to reflect upon these challenges and seek rational, humanitarian and community-based solutions.

Given under my hand and the Seal of the Government, at the City of Harrisburg on this eleventh day of July in the year of our Lord two thousand and one of the Commonwealth the two hundred and twenty-sixth.

Tom Ridge, Governor.

HONORING HOLY TRINITY ARMENIAN APOSTOLIC CHURCH

HON. GEORGE RADANOVICH

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, October 29, 2001

Mr. RADANOVICH. Mr. Speaker, I rise today to Holy Trinity Armenian Apostolic Church for their 101st anniversary. Holy Trinity Church has been a cornerstone of Fresno's Armenian community since its inception in 1900.

For over 100 years, the Holy Trinity Armenian Apostolic Church has served as the spiritual, cultural, and social landmark for Armenians throughout Fresno and the San Joaquin Valley.

Armenian Apostolic Church services were held in Fresno as early as 1895 in a rented hall by the Rev. Aharon Melkonian, who had arrived from Erzerum 1 year earlier. As the parish grew so did the need for a church building. Construction began soon after the church held a general meeting on February 25, 1900, at which a board of trustees was elected. Then, on March 2, 1900, a building committee was appointed and it was decided that the church would be named Holy Trinity.

The foundation of the church was blessed on April 1, 1900, and on October 14, 1900, the Holy Trinity Armenian Apostolic Church was consecrated by the Primate of the Armenian Diocese, Rev. Bishop Hovsep Sarajian. It was the second Armenian Apostolic Church in the United States.

In the beginning many Armenians found themselves in a strange new land and turned to the church for support. Still today, those who are no longer strangers to this country continue to view the church as their focal point

for spiritual guidance, thus enabling the church and its members to withstand the test of time.

Mr. Speaker, I rise to pay tribute to the Holy Trinity Armenian Apostolic Church on the occasion of the 101st anniversary celebration. I urge my colleagues to join me in honoring Holy Trinity Armenian Apostolic Church on this special day of recognition.

TRIBUTE TO CAPTAIN HARRY THOMPSON

HON. JOSÉ E. SERRANO

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, October 29, 2001

Mr. SERRANO. Mr. Speaker, I rise today to pay tribute to Captain Harry Thompson, a national hero who gave his life to save many others during the September 11 attack on the World Trade Center.

Captain Thompson, a long-time court officer, was a resident of Parkchester in the Bronx for over 30 years. "Selfless" is usually the first word to come to the lips of those neighbors and coworkers asked to describe Captain Thompson. They were saddened, but not surprised, to learn that his gallantry and dedication to helping others led him to save the lives of 150 people on that fateful morning in September.

We are all aware that on that morning, heroes abounded and many came from unlikely sources. Mr. Speaker, anyone who knew Captain Thompson considered him the most likely source of heroism. His youngest son, Raahsaan, explained that when he heard of the tragedy, he just assumed that his father was there "helping out." He took for granted that his father was there guiding others to safety while putting himself in harm's way. Captain Thompson was not a fireman or a police officer, yet he felt a call to duty not unlike those brave men and women and he went into a building that people were desperately trying to escape simply because he knew that he could help.

Captain Thompson's two sons say that their father took great pride in the fact that he had climbed the ranks to make Captain, a position that made him responsible for training court officers. Captain Thompson ingrained the value and necessity of hard work into his two sons who both went on to obtain college degrees and pursue successful careers. Both sons recall their father constantly helping people out, whether it was physically supporting an elderly or debilitated person in some task or running an errand for a busy neighbor. I want Raahsaan and Michael Thompson to know that we realize that their father did not come home that day so that 150 other fathers, mothers, daughters, sons, sisters, and brothers could.

Mr. Speaker, we lost so many in such a short time on the morning of September 11, it would be difficult for Congress to mourn and honor each individual life. However, I must ask my colleagues to join me in honoring the life of Captain Thompson, he sacrificed his life in order to save others, not because it was his job, but because it was his nature.

"DEATH OF AN INNOCENT" BY
ELISABETH CERCEK

HON. CLIFF STEARNS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, October 29, 2001

Mr. STEARNS. Mr. Speaker, in light of the sobering events that took place on September 11, now more than ever, the young people of this country must remain vigilant, accountable for the actions taken in everyday life. One young American in particular realizes the importance of accountability and expresses these convictions in a poem she has written entitled, *Death of an Innocent*. Elisabeth Cercek of Ocala, FL, deposits the reader amid the chaos of a drunk driving accident. A young girl's life slowly ebbs away as the drunk driver can do nothing but "stare." With violent realism, Elisabeth brings us into the sorrowful world that thousands of Americans face each year when their loved ones are taken from them by alcohol related accidents. I applaud Elisabeth's steadfast resolve in her fight against drunk driving, and with that Mr. Speaker, I submit for the CONGRESSIONAL RECORD her poem "Death of an Innocent."

DEATH OF AN INNOCENT

I went to a party, Mom.
I remembered what you said.
You told me not to drink, Mom.
So I drank soda instead.
I really felt proud inside, Mom.
The way you said I would.
I didn't drink and drive, Mom.
Even though the others said I should.
I know I did the right thing, Mom.
I know you are always right.
Now the party is finally ending, Mom.
As everyone is driving out of sight,
As I got into my car, Mom,
I knew I'd get home in one piece.
Because of the way you raised me,
So responsible and sweet.
I started to drive away, Mom,
But as I pulled out into the road,
The other car didn't see me. Mom,
And hit me like a load.
As I lay there on the pavement, Mom.
I hear the policeman say,
"The other guy is drunk," Mom.
And now I'm the one who will pay.
I'm lying here dying, Mom.
I wish you'd get here soon.
How could this happen to me, Mom?
My life just burst like a balloon.
There is blood all around me, Mom.
And most of it is mine.
I hear the medic say, Mom.
I'll die in a short time.
I just wanted to tell you, Mom.
I swear I didn't drink,
It was the others, Mom.
The others didn't think.
He was probably at the same party as I.
The only difference is, he drank
And I will die.
Why do people drink, Mom?
It can ruin your whole life.
I'm feeling sharp pains now.
Pains just like a knife.
The guy who hit me is walking, Mom.
And I don't think it's fair
I'm lying here dying
And all he can do is stare.
Tell my brother not to cry, Mom.
Tell Daddy to be brave.
And when I go to heaven, Mom.
Put "Daddy's Girl" on my grave.
Someone should have told him, Mom.

Not to drink and drive.
If only they had told him, Mom.
I would still be alive.

My breath is getting shorter, Mom.
I'm becoming very scared.
Pleased don't cry for me, Mom
When I needed you
You were always there.
I have one last question, Mom
Before I say goodbye.
I didn't drink and drive
So why am I the one to die?

TRIBUTE TO RUSSELL J. "RUSTY"
HAMMER

HON. ROBERT T. MATSUI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, October 29, 2001

Mr. MATSUI. Mr. Speaker, I rise today to honor Mr. Russell J. "Rusty" Hammer as he ends his tenure as president and CEO of the Sacramento Metro Chamber. As his friends and family gather to celebrate Rusty's impressive tenure, I ask all of my colleagues to join with me in saluting this truly remarkable citizen of Sacramento.

Rusty came to the Sacramento Metro Chamber in 1994 and after 7 years has transformed the chamber into an economically viable and influential organization. Today the Sacramento Metro Chamber is the largest and most diverse chamber in northern California, boasting a membership over 3,000. In addition, the Sacramento Metro Chamber is now represented in all six counties in the Sacramento region, a truly admirable feat.

To my colleagues here in the House of Representatives, perhaps one of the most visible accomplishments of the Sacramento Metro Chamber is the annual Cap-to-Cap trip. Through this important program, over 200 business leaders from the Sacramento region come to Washington, DC, each spring to meet with leaders of the Federal Government to raise awareness of the region's most important issues. Since 1994, under the direction of Rusty and his colleagues in the chamber, the level of participation in Cap-to-Cap has nearly doubled. I feel that this is a true testament to Rusty's dedication and enthusiasm for the Sacramento region.

In addition to the Cap-to-Cap trip, Rusty has also been the driving force behind numerous projects and events at the Sacramento Metro Chamber that have continued to propel the chamber to new heights. One in particular that deserves special recognition is "Perspectives", an annual speakers series hosted in Sacramento involving influential national and international leaders. Through Rusty's tireless efforts, this program has become one of the most important forums for discussions about the future and direction of the Sacramento region.

While I was saddened as both a friend and a colleague to learn of Rusty's departure to become president of the Los Angeles Metro Chamber, I fully believe that Sacramento's loss is Los Angeles's gain. Rusty's commitment to serving his community is a genuine inspiration and example to his fellow citizens and will be a wonderful addition to the Los Angeles region.

Mr. Speaker, as Mr. Rusty Hammer's friends and family gather to reflect on his time

with the Sacramento Metro Chamber, I am privileged to pay tribute to one of Sacramento's most honorable citizens. His successes are unparalleled, and it is a great honor for me to have the opportunity to recognize his many contributions to Sacramento. I ask all my colleagues to join with me in wishing my friend Rusty continued success in all his future endeavors.

HONORING THE CLOVIS SENIOR
CENTER

HON. GEORGE RADANOVICH

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, October 29, 2001

Mr. RADANOVICH. Mr. Speaker, I rise today to honor the Clovis Senior Center for their work to improve the lives of senior citizens living in California's Central Valley.

The Clovis Senior Center began providing services over 25 years ago, when they first received Federal aid for senior programs. The actual Clovis Senior Center facility was built 19 years ago. Lynn Bawdon has served as director of the Clovis Senior Center for the past 20 years. The center provides a wide range of programs, including nutrition advice, income tax assistance, social security inquiries, medical information, and general adult information.

The goal of the Clovis Senior Center is to keep seniors independent and living in their own homes, while providing for their own needs. The center is ranked among the top 10 multisite centers in the State. They actively pursue assistance from the State to continue providing the highest level of assistance for seniors.

The Clovis Senior Center is an 11,000 square foot facility that is comprised of a central multipurpose room, two large classrooms, a commercial kitchen, two large restrooms, and two average sized restrooms.

Mr. Speaker, I rise to honor the Clovis Senior Center for their valuable assistance to the local senior community. I urge my colleagues to join me in wishing the Clovis Senior Center many more years of continued success.

BALKANS YOUTH LINK PROJECT

HON. TOM LANTOS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, October 29, 2001

Mr. LANTOS. Mr. Speaker, I invite my colleagues to join me in recognizing the remarkable accomplishments of a budding organization dedicated to the empowerment and unity of youth throughout the Balkan region.

The Balkans Youth Link has emerged from the devastation of war to create a positive future for young people in that region. This San Francisco-based nonprofit organization, which was founded by a constituent of mine, Frederica Bunge, provides support to youth leaders of the Balkans who are working to develop a truly free society. These strive for openness and understanding in a place where ethnic conflict has long challenged hopes for peace.

Since its inception in late 1999, Balkans Youth Link has accomplished many important projects worthy of our attention. When the

conflict in Kosovo ended, two trauma recovery missions sent teams to rural and urban areas in order to create self-support groups, helping teachers recover from their own trauma and enabling them to give their students a renewed interest in learning.

Last summer, Youth Link 2000, the first international public debate camp, which was conceived and directed by Enrion Veliaj, successfully trained a diverse group of young people from Kosovo in the techniques of public debate. There the participants gained a broad understanding of the importance of free speech, diversity of ideas, and respect for human rights.

Also during the summer of 2000, a love of music and a desire for peace united in New York City a group of Serb, Croat, and Muslim youth from Bosnia. Balkans Youth Link Voices spent a month together, rehearsing, performing, and sharing their vision for a peaceful society. The choral group gave a number of excellent performances, including one at the closing luncheon of the State of the World Forum, where they received a standing ovation for their world premier performance of One Song, Many Voices, by Marcus Williams, written for Nelson Mandela's 2001 initiative on diversity.

Mr. Speaker, the latest endeavor of Balkans Youth Link is an international Youth Link Leadership Institute held in Kosovo in August of this year. The project provided community leaders and students with an opportunity for an exchange of ideas on the crucial issues of conflict resolution, advocacy, negotiation, and leadership in a variety of contexts. The leadership institute was designed to create socially conscious citizens and to motivate them toward leadership and activism.

The hard work and dedication of the director and staff of Youth Link Leadership Institute deserves our commendation. Project Director Erion Veliaj and coordinators Kujesa Bejtullahu and Sagita Muco have been actively involved for several years in humanitarian relief and democracy building activities. In addition to directing Youth Link 2000, Mr. Veliaj led an election mobilization campaign under the auspices of the Organization for Security and Cooperation in Europe, (OSCE) in preparation for the first local elections in Kosovo. In addition he has headed several other major leadership and open society projects involving Balkan youth in other parts of the globe.

Mr. Speaker, some of our colleagues may recall that Ms. Behtullahu had been called the Anne Frank of Kosovo for her "From the War Zone" e-mail correspondence with a California high school student, using the pen name "Adona." Each of these leaders has witnessed the atrocity and anguish of war in the Balkans, and they hope to rebuild their communities by educating future generations about the impact of social activism and democratic politics. Balkans Youth Link coordinators and volunteers, along with their founding Board Members, Frederica Bunge, strive to inspire a sense of self-worth and a realization of individual power and value in society. Mr. Speaker, I urge my colleagues to join me in honoring the persistent crusade for tolerance and understanding which is stressed by Balkans Youth Link. It is an invaluable contribution to a peaceful future for the Balkans.

HONORING HAROLD "HAL"
WEYGANDT, JR.

HON. JOHN T. DOOLITTLE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, October 29, 2001

Mr. DOOLITTLE. Mr. Speaker, today I wish to honor my good friend, Mr. Harold W. "Hal" Weygandt, Jr., who at the age of 81 years is retiring from Weco Aerospace Systems, the company he founded 30 years ago.

Hal was born in Kansas City, Missouri, in 1920. Raised in this traditional mid-western environment, he learned the entrepreneurial spirit at an early age. Hal attended Joplin High School in Missouri where he excelled in football and boxing. After high school, he left Joplin and enrolled in the University of Missouri, Kansas City. Throughout his high school and college years, Hal worked at several jobs to help support his family and pursue his education goals through the depression years.

After college, Hal moved to Southern California, where he joined Lockheed Aircraft in 1941. Just prior to America entering World War II, he volunteered with 2,500 other civilians in a Douglas Aircraft sponsored project for a top-secret mission in Africa. At the time, England was near the threshold of disaster when Winston Churchill requested help from President Roosevelt. This assignment, named "Project 19," was created to assist England in its war efforts against Germany. The voyage on the USS *Chauteau Thierry* from the West Coast to Africa was a precursor of challenging times to come. The ship, which was originally constructed for a passenger list of 200, carried over 2,000 men to their remote destination. Project 19 established an entire town, American City, in east Africa that helped supply and repair fighter aircraft for the war effort.

In 1943, well after America joined the Allies in the war, Hal volunteered for the Army Air Corps in Cairo, Egypt. He spent the next several years touring the European theater in a classified position in armament inspection. By the end of the war, Hal had been awarded several citations, as well as the Bronze Medal, and he ascended to the rank of Second Lieutenant. His most significant reward, however, was an English girl named Ann Sawtell. They were married in New Milton, England, in October 1945.

After World War II, Hal returned to Southern California and embarked on his first business endeavor. In 1947, Hal and his uncle started RWS Electrical Accessories, Inc. This company supported the then-emerging aircraft industry with component sales and service. By early 1961, Hal and his family had moved to the foothill region of the Sacramento Valley, where they still reside. The Weygandts maintained a ranch, while Hal developed his career in aviation. Hal's company became a benchmark for independent successes in the aviation field. He participated and became close friends with many of the pioneers of today's modern aviation industry. By 1968, RWS merged with another aviation company that subsequently formed Aviall, a multinational in-

dustrial leader in commercial aviation sales and support.

Mr. Speaker, at a phase of life when some people begin looking forward to retirement, Hal formed Weco Aerospace Systems, Inc., in 1971 with his sons, Bill and Robert. This new company based in the Sacramento and Burbank areas focused its attention on supporting corporate aviation. This company has grown with the industry and now employs over 60 people in California and throughout the nation. It supports aviation operators internationally.

Hal is the proud father of three children and eight grandchildren. It is worthwhile to note that he has raised a family of good and productive citizens. The Weygandts have been very active in civic affairs and have contributed much to their community. Hal's own activities have included involvement with the Masonic Lodge and Shriners, his church, the National Business Aircraft Association, the Helicopter Association International, and the Airborne Law Enforcement Association. He has also stayed active with yearly meetings of the Project 19 Association, in which less than 150 of 2,500 participants are still alive.

While Hal is now retiring from active business life at the age of 81, he will continue as an advisor and Board member at Weco. And just to prove it is tough to keep a good man down, he and his wife, Cherie, plan to maintain their 80-acre ranch in the foothills of Lincoln, California, as well as traveling and enjoying many outdoor activities.

Mr. Speaker, I take great pleasure in commending Hal Weygandt for his outstanding service to our country as a member of the Armed Forces, an innovative business leader, and a good family man. After all that has been said about him, he is simply a good and decent man, and I am personally thankful for his support and friendship.

UNITING AND STRENGTHENING AMERICA BY PROVIDING APPROPRIATE TOOLS REQUIRED TO INTERCEPT AND OBSTRUCT TERRORISM (USA PATRIOT) ACT OF 2001

SPEECH OF

HON. ROBERT WEXLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 23, 2001

Mr. WEXLER. Mr. Speaker, I am pleased that a provision earlier included in money laundering legislation, which would have inhibited RICO liability for foreign excise taxes for tobacco companies, has been dropped from the USA PATRIOT Act of 2001, the final version of comprehensive anti-terrorism legislation. The sections of the final version of this bill which expand the definition of Specified Unlawful Activities for Money Laundering are a crucial component of the USA PATRIOT Act. We all know that in order to crush terrorism in all its forms, it will be necessary for us to put an end to the money laundering which is essential to the financing of terrorists' networks.

In order for our legislation to be effective, our laws against money laundering must have the widest possible scope. Just as criminals continually are finding new and creative ways to subvert and circumvent our laws, our laws must be broad enough and flexible enough to allow our courts to fight against money laundering in any form we find it. In response to United States requests, many of our allies, including the European Community and its Member States have strengthened their money laundering laws in a cooperative effort to battle money laundering and terrorism. It is our intent to recognize and assist the efforts of our allies in our joint effort to fight fraud and money laundering wherever and in whatever form we find it. If our allies are victimized by fraud, smuggling or money laundering emanating from U.S. soil, they should have the benefit of U.S. laws and U.S. courts to combat those offenses. The expanded definition of Specified Unlawful Activities will ensure that money laundering associated with crimes or fraud committed against our allies shall constitute violations of U.S. law thereby giving the United States and our allies the maximum capability to utilize U.S. laws to combat the money laundering. Just as the United States has always recognized the fundamental right of friendly nations to have access to our courts to enforce their rights, we shall continue to give our full cooperation to our allies in their efforts to combat smuggling and money laundering, including access to our courts and the unimpeded benefit of our criminal and civil laws.

RECOGNIZING BETH GRAFTON- CARDWELL

HON. GEORGE RADANOVICH

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, October 29, 2001

Mr. RADANOVICH. Mr. Speaker, I rise today to recognize Beth Grafton-Cardwell for being named an Extension Specialist Award finalist by the Friends of Agricultural Extension. The Friends of Agricultural Extension will recognize Beth at their annual awards dinner.

Beth is a U.C. Riverside Extension Entomologist at the Kearny Agriculture Center in Parlier, CA. She conducts a multifaceted program to help citrus growers reduce their pest problems while maintaining fruit quality, a positive economic return, and a reduction of broad-spectrum pesticide use. An important contribution to California's citrus industry has been her ongoing evaluation of continually changing insect pest problems. Beth is currently in the process of developing a mobile laboratory to use as an onsite research and teaching aid.

Mr. Speaker, I congratulate Beth Grafton-Cardwell for being named an Extension Specialist Award finalist by the Friends of Agricultural Extension. I urge my colleagues to join me in wishing Beth Grafton-Cardwell many more years of continued success.
